Please let this letter serve as a HUGE recommendation for Robert Mac as entertainer for your event. Robert walks on water, as far as I'm concerned.

He can do whatever you need for him to do for your event. He can be a master of ceremonies, a motivator, a game show host, and at all times is a comedian. Robert can take the most mundane situations or observances and make you laugh. And, his shows are "family friendly" - no "bad" words. He does research prior to your event so that his remarks are custom designed for you. If you need to make sure he makes a point or covers a certain topic, just tell him and he will make it happen and will make it amusing.

We recently hired Robert for an event to entertain meeting planners. Now, these people are professionals who plan meetings for a living, and have pretty much seen every type of entertainer imaginable. Robert not only received a standing ovation but also an encore call. They loved him!!

You will, too, and I hope you will call me directly if I can answer any questions for you.

Sincerely,

Devon Sloan, CMP, CTA
